ABOUT THE SCHOOL

The sisters of St Michael the Archangel (SSMA) is a female religious institute founded by Most Rev. Micheal Olaltunji Fagun, bishop emeritus of Ekiti Diocese. SSMA is the proprietress of Michaelian Colleges found in the Mission and philosophy of the catholic Education.

Part of our ministry is education at various levels, thus, the institute has established primary and secondary schools in various parts of the country. the aim is to give grass root, qualitative, holistic and moral education to the young.

Learning in our schools is based on the fundamental principles of life, which is, teaching the student to be courageous, confident, disciplined, Responsible and loyal in a way that provides a foundation for a life time.

These are the reasons for educating the heart and not just the mind , even as we impart knowledge to match advancement in technology, create global citizens and give shape to a better world.

EXPECTATIONS FROM THE STUDENTS

The focal point of the students of these noble institutions is the following folds: faith in Jesus the divine master for a brighter democratic mind, academic excellence, self-discipline and cultured moral life to build a virile progressive society.

Critical thinking: Students would be able to use available information to analyze, compare, contrast, evaluate, synthesize and make logical conclusions about issues. Students would be able to work with their brains, active and alive in a healthy conscience towards achieving the said objectives of the institutions.

Adaptability: Students will be trained to adapt to any situation and condition of life with or without the presence of a guide. This would move them toward accessing and solving the problems and challenges that accompany the rapidly changing political, economic, environmental and social conditions of modern world and till be calm, maintaining their physical and mental balance and alertness

Expectations from the school

Michaelian colleges shall educate the whole person providing students the necessary support to achieve their holistic potentials.

Sufficient resources (human and materials) will be made available to students to help in adaptation to series situations/conditions, think critically, be team players, produce qualitatively results and being self-reliant.

Students will be enabled to live and work in conducive atmosphere

Students will be offered high standard-based curricular that promote and help to develop holistic skills and potentials.

Unity in diversity, tolerance, understanding and compassion will be promoted among the students

Michaelian Colleges Have the Following as their Guiding Principles
